Why do you want to be a Craig Street Cats Summer Intern?

Students chosen for the Internship Program will volunteer for a **minimum** of 150 hours between July 1st and September 1st. They must be prepared to work 20 hours every week **throughout the summer break**. Hours will be scheduled during weekdays, weekends, and holidays.

Interns are expected to be on time for each shift, and perform assigned cat care duties. Interns who meet these requirements will receive a certificate of achievement and a \$500 honorarium at the end of the program. Those who do not meet the requirements of the program will be asked to leave.

WAIVER: I understand that, if accepted into the Summer Internship Program, I / my child will be working with live animals, and that there is a risk that I / my child may be bitten or scratched. I assume all risks that may be associated with working with live animals, and agree that I will not seek damages against Craig Street Cats for any injury that might occur during any volunteer activity.
